PROJECTS EXECUTED USING OUR IN-HOUSE FLEETS

POWERING HEAVY MOVES, DELIVERING PRECISION.

Specialists in Project & ODC Transport Since 1995.

The Transport Division of Mega Move India Pvt. Ltd., established in 1995, has been a pioneer in heavy haul and Over-Dimensional Cargo (ODC) transportation across India. With decades of industry experience, an ISO-certified framework, and a highly skilled technical team, we specialize in the safe, efficient, and precise handling of complex cargo movements. Our in-house fleet includes 20+ low bed trailers, 50 hydraulic axles, five 300 HP pullers, and specialized extension accessories—empowering us to manage even the most demanding transportation of oversized and heavy cargo with exceptional reliability and expertise.

HEAVY LIFT & BREAKBULK SOLUTIONS

TAILORED VESSEL CHARTERING FOR COMPLEX INDUSTRIAL CARGO

At Mega Move India, we deliver precision-driven chartering and logistics solutions tailored for heavy lift, breakbulk, and industrial project cargo. Whether it's transporting turbines, refinery components, or large infrastructure modules, our specialized vessel chartering services are designed to handle what standard shipping can't. With deep technical expertise, strategic global alliances, and a commitment to flawless execution, we ensure your cargo moves safely, compliantly, and efficiently—every step of the way.

EXPERT MACHINERY MOVERS

“Seamless Heavy Machinery Movement and Relocation, Backed by Skill and Experience.”

END-TO-END LIFTING SOLUTIONS. ENGINEERED FOR EVERY ELEVATION.

"Our Equipment. Your Elevation."

We own a specialized fleet of in-house lifting assets including truck-mounted manlifts, scissor lifts, spider lifts, self-propelled manlifts, and cranes — all available for rental. Whether for industrial maintenance, construction, or project logistics, our machines are maintained to the highest standards and deployed with or without operators. With rapid availability across India, we deliver safe, efficient, and cost-effective access solutions - when and where you need them.

NAVIGATING THE WORLD, DELIVERING WITHOUT LIMITS.

SERVING THE NATION - ONE PRECISION MOVE AT A TIME IN THE HIMALAYAS

MISSION NYOMA: PRECISION TANK DELIVERY TO THE BORDER

17 BMP-II tanks were successfully delivered to Nyoma, Ladakh (near the China border) for the Indian Armed Forces. The project, awarded through a competitive tender, was executed using our in-house fleet of lowbeds. Originating from Khadki, Pune, the movement was completed in a record 20 days despite steep, hazardous terrain and minimal road infrastructure—ensuring safety and precision at every step.
